# Fond du Lac County, WI selects Teller Cashiering Solution to Streamline County Receipting Process

**Lakewood, CO** — Fond du Lac County, WI recently announced they will be implementing Can/Am Technologies' Teller Cashiering Solution in conjunction with Oracle Financial and Oracle A/R. The new software will improve payment processing within several departments across the County.

The new system will implement Teller's Check Scanning and Image Cash Letter solutions to improve staff productivity. A planned Phase II will incorporate more departments with several bi-directional interfaces.

The County selected the Teller Solution based on several key factors including comprehensive functionality, easy configurability, improved payment processing and flawless integration with Oracle's Financial and A/R software applications.

Can/Am V.P. of Sales and Marketing Scott Stickel remarked *"Our team is looking forward to working with Fond du Lac County staff during the installation process and to the prospect of developing a very positive and productive long-term partnership with the County."*

### About Fond du Lac County, Wisconsin

Fond du Lac County is located at the southern shore of Lake Winnebago, a popular vacation destination area featuring watersports, hunting, hiking, fishing and more. While the countryside provides beautiful scenery and exciting recreation, the cities of Fond du Lac and Ripon provide its visitors with great entertainment, wonderful historical districts, and many cultural events. The county's population was 104,154 as of the 2020 census.

### About Can/Am and the Teller Cashiering Solution
