

Can/Am Welcomes Ben Schweitzer, Project Manager

Ben recently joined Can/Am Technologies as a Project Manager. He will be paying close attention to project details while coordinating activities with clients, 3rd party vendors, and internal staff to ensure the timely completion of activities.

Ben prides himself as a creative problem solver with a diverse background. He is eager to learn and looks forward to applying acquired skills for the benefit of the company and its clients. He is team oriented with a desire for connecting people with technology to build a better future.

Playing volleyball is a passion of Ben's. He also enjoys playing and watching almost any sport. He is blessed with a large extended family and enjoys spending time with them playing games and relaxing. Ben and his wife celebrated their first child, a girl, in Sept of 2022. In his words, "being a parent is such a joy".

Please join us in welcoming Ben to the Can/Am family.
