

Can/Am Welcomes Spencer Kaplan, Intern Software Developer

Spencer recently joined Can/Am Technologies as an Intern Software Developer. He will be providing support to our software development team in the development of software, testing, and fixing bugs. He is currently a student at the Northern Alberta Institute of Technology studying Computer Engineering Technology.

Spencer recently commented, “I am really excited to be joining the Can/Am team and look forward to meeting everyone.”

In his free time, he enjoys spending time with his family, playing music, watching Basketball and Formula 1.

Please join us in welcoming Spencer to the Can/Am family for the summer.
